

Lead Volunteers

The effort to create a Neighbourhood Development Plan for Peasmarsh is being led by a Steering Group of volunteers. The group currently consists of :

Mike Inkson	<i>Communications sub-group lead</i>
Ian Bailey	<i>Environmental / History sub-group lead</i>
Keith Studer	<i>Utilities and Transport sub-group lead</i>
Gina Sanderson	<i>Land and Development sub-group lead</i>
Lynda Bull	<i>Treasury Liaison</i>
Rob Bull	<i>non-Executive</i>
Alan Hickmott	<i>non-Executive</i>
Peter Lamont	<i>non-Executive</i>

All of the above live in the parish which is unfortunate because the Plan needs to reflect the views of all stakeholders which means residents and people who work in the parish but don't live here. So far, nobody who is in the secondary category has come forward as a volunteer.

This list will be updated from time to time as the situation changes.
