

Register of Interests

In accordance with the group Terms of Reference, all volunteers must declare any potential conflict of interest that might impact the Neighbourhood Development Plan process or outcome. These declarations will be made available for public scrutiny on the PNDP website.

Potential conflicts of interest might arise from [but are not limited to] :

- Land ownership, where there is the potential for development of 2 or more additional dwellings;
- Share ownership, where a significant number of shares (over £100,000 cash value) are held in a company known to have a development interest in the Neighbourhood Area;
- Employment Status, if a member is employed by or works for a company instructed by developers involved in the development of land in the parish;

This declaration is made jointly for the individual named as well as his or her spouse or partner if not also a volunteer.
